CONVICTS JUMP TRAIN

Handcuffed, Three Men Escape From Officers at Wilson, Kan.

Wilson, Kan., Sept. 8.—Three handcuffed convicts jumped from Union Pacific train No. 119 as it was leaving Wilson at 2 o'clock this morning and escaped. The men were being taken from state prisons at Lansing, Jefferson City and Columbus to San Francisco for federal prison parole violations. The men were in charge of

United States marshals and several deputies. The men jumped from the train as it was leaving the Wilson yards. Two of the men were declared to have been handcuffed together. Persons who saw the men running, tho, said each man was separate. Thirty minutes after the men escaped local county officials took up the man hunt with federal officers. Every farmer in the district was notified by telephone and scores of volunteers aided in the search for the men. The men have not been found.

PRISON QUIET TODAY

Two Were Killed in Illinois Reformatory Riot Sunday.

Pontiac, Ill., Sept. 8.—State reformatory inmates had been quieted here today, following an outbreak late yesterday in which a guard and a prisoner were killed and two other persons probably fatally wounded.

The trouble started when two prisoners from Cook county (Chicago), known as "bad men," attempted to free other inmates after they had partly sawed heavy iron gratings.

When guards approached the cells occupied by John Kelly and John Fredericke, robbers, and ordered them outside their cells, the prisoners drew revolvers and shot the guards. Liberating themselves, they helped nearly 500 others to leave their cells for the main hallways.

The fighting started when the prisoners attempted to scale the walls between them and freedom. Civilians, deputy sheriffs and Pontiac police assisted prison guards in driving back the men. None escaped.

DELEGATES TO TOPEKA

Six Hundred Expected Here for Missionary Convention.

At least 600 delegates are expected to attend the thirty-sixth annual meeting of the Women's Foreign Missionary society to be held in Topeka, October 2 to 6. An unusual number of good speakers have been obtained, among them Bishop W. O. Shepard, Bishop Francis J. McConnell, Rev. Benson Baker, Mrs. Thomas Nicholson and a number of prominent outgoing missionaries and missionaries on furlough. Delegates should send their names to Miss Beadie Boughton, 1108 Topeka avenue, in order that the committee may know how many to provide for.

GREAT FIRE RAGING

Property Loss 30 Million in Archangel Gulf—Incendiarism Suspected.

Archangel, Sunday, Sept. 7.—A great fire has been burning furiously for more than two days on Malmassa Island, in the Gulf of Archangel. Timber and saw mills for three miles on both sides of the gulf have been destroyed.

The destruction of property for miles around is reported complete. Estimates of the damage place it at 60,000,000 rubles (about \$30,000,000). Incendiarism is suspected.

SCOREBOARD FLASHES

Yesterday's hero, Kelly, The Giant first baseman, secured a homer in the tenth that gave New York a 2 to 1 victory in the first game against the Braves, who won the second, 4 to 2.

Eller blanked the Cards 1 to 0 in the first game, but Reuther lost the second, 5 to 2.

Muesel, Philly outfielder, hit a three-bagger in the eleventh and Brooklyn lost the first game, 3 to 2. The Dodgers won the second, 2 to 1.

The Pirates got nine hits off Alexander and beat the Cubs, 2 to 1.

The White Sox increased their lead to seven and a half games by taking the final game from the Indians, 5 to 3.

The Senators could not do a thing with Shawkey and the Yankees won, 5 to 2.

Ehlers and Roland were both ineffective and the Tigers dropped another one to the Browns, 6 to 2.

SUFFERED 8 YEARS

Mrs. Despain's Troubles Finally Overcome.

Gains Thirty Pounds After Taking Tanlac.

"After failing for eight long years to find a medicine or treatment that would relieve my suffering, I tried Tanlac and the result is, my troubles have been completely overcome and I have gained thirty pounds in weight," said Mrs. Alice Despain who lives at 112 Brooks street, Galesburg, the other day.

"I was so completely run-down when I commenced taking Tanlac," continued Mrs. Despain, "I was hardly able to get around. My nerves were in terrible condition and I never got a good night's sleep. I also suffered from stomach trouble so bad that everything I ate would sour and cause me to be perfectly miserable for hours at a time. I was bilious nearly all the time and would often have raging headaches. Sometimes these spells of headache would last for a week at a time. I was so weak and run-down that I couldn't do any work around the house at all. The different medicines and treatments didn't do me any good at all and I just had to suffer from year to year without getting any relief."

"I was very much discouraged over my condition for I really thought that I would never find anything that would overcome my troubles. Just when I was feeling my worst, a friend of mine came to see me and told me about Tanlac, and advised me to give it a trial. I finally decided to take her advice, and it was the best move I ever made in my life. For I commenced to improve in a short time after I began taking this wonderful medicine. I have just finished my sixth bottle and I can truthfully say that I never had better health in my life. All that nervousness has left me, and I sleep fine every night now. There was a time when I actually dreaded to see meal time come, but I can hardly wait for it now, for I have a splendid appetite and everything I eat agrees with me all right. Those awful headaches have left me, and I have gotten back all my strength and energy. I can easily do all my housework now. I never tire of telling people what Tanlac has done for me, and I am glad to have this opportunity to recommend this medicine to everybody."

Tanlac is sold in Topeka by Tully-McFarland Drug Co., 385 Kan. Ave. and 729 Kan. Ave.—Adv.
